Universitas Islam Indonesia

**Universitas Islam Indonesia (UII)** is one of the leading private universities in Indonesia. Inspired by the spirit of nationalism and guided by perennial values, UII was founded one month before the proclamation of Indonesian independence in 1945. UII now has grown into a great place for learning. Located at the northern outskirts of Yogyakarta, the heart of Javanese culture, the main campus, overlooking the stunning beauty of Merapi, is a perfect place to study.

Learning is discovering treasure within oneself. With 4 doctoral, 12 master, 3 professional, 25 undergraduate, and 4 diploma programs covering a wide spectrum of knowledge, UII enables its students to discover their own treasures and achieve their brighter future.

We realize that perfection is a fruit of lifetime innovations and tireless efforts. Internally, this is carried out by providing modern facilities and maintaining quality assurance. To support the learning process, 10 libraries, 82 laboratories, and 27 research centers, are provided for research and education. Meanwhile, a great masjid, bookstore, sport hall, auditoriums, hospitals, and student convention center are among first-rate facilities available in UII campuses.

To ensure that learning in UII is conducted with the highest standard, quality is put firmly in place. As a result, the national rankings place us as number 1 for private universities in Indonesia and among the leading universities nationally (2018). The QS Asia University Rankings place us among top 500 in Asia (2019).

The fruits of innovation are diverse. More than 98,000 UII alumni are serving Indonesia and the world at large in many fields and many ways while maintaining professionalism and ethical values, to which UII vision is anchored. See [Rector Prof. Fathul Wahid, S.T., M.Sc., Ph.D.](#)
